

Indian Institute of Technology Delhi
Central Library

No. IITD/LIB/2019/

Date : Nov. 11, 2019

Opening of Library Intern positions at the Central Library, Indian Institute of Technology Delhi

IIT Delhi Library system is the early adapter of new and emerging technologies. Many of the libraries and library professionals of the country are taking advantage of our expertise and practices. The Central Library is fully computerized using state of the art Integrated Library Management System and successfully running the RFID system from the last ten years. Users have the freedom to self-Check-In or Check-Out round the clock using its RFID system as it remains open round the clock. We have our own DSpace based Institutional Repository, and all our theses have been digitized and made accessible through IR or NDLI or WebOPAC platform. We are also providing eNewsClippings, Faculty Profiling System (RIM), Faculty Publications, etc. The website has been developed In-House with Drupal which provides a user-centric approach to the Website based Library Resources, Services, and Products.

IIT Delhi being one of the top institutions of the country and IoE, having great library system; has been declared as the National Resource Centre to offer the ARPIT in Library and Information Sciences (Online MOOCs for whole India).

The Central Library IIT Delhi is looking for young, enthusiastic and dynamic postgraduates with minimum **First Division** in Master of Library and Information Science (MLIS) or equivalent, to work as Library Intern. The applicant must have passed MLIS or equivalent examination either only in the year 2018 or 2019. However, those who are expecting MLIS final marksheet as above by the day of Test/Interview may also apply. Candidates who passed the MLIS or equivalent examination before 2018 need not apply.

Stipend: Rs.20,000/ per month (Consolidated)

Period of Internship: Internship position is purely on temporary basis. The internship will initially be offered for six months and based on performance; it may be extended for another period of six months. The maximum period of internship will be for one year only.

Age Limit: 26 years (as on the last date of application i.e. Nov. 26, 2019)

Nature of Internship: Interns will be provided with an opportunity to work in different sections of the Central Library and learn the modern library management techniques and web-based services. The selected candidates will have an ample opportunity to work and learn about emerging IT tools and technologies.

Selected interns will be required to do shift duty on a rotation basis on holidays and until 9pm as well. Accommodation facility will not be provided by the IIT Delhi.

IIT Delhi may decide the criteria for the selection of the interns which may include Written Test and /or Interview. No TA/DA will be paid for appearing in the selection process.

Interested candidates who fulfil the above-mentioned criteria may apply online using application form available on Central Library, IIT Delhi Website (<http://library.iitd.ac.in>) and upload recent passport size photograph (jpeg/jpg format), MLIS Marksheet and Matric Certificate (showing the date of birth). In case the result is awaited for MLIS examination, BLIS marksheet should be uploaded. Incomplete applications will not be entertained.

The last date of submission of online application is Nov. 26, 2019.

Candidates who have appeared for their final year/semester MLIS examination and are expecting the results before the test/interview date may also apply, **but must produce the final marks sheet of MLIS at the time of test/interview, in proof of having passed the examination with First Division.**
